Summer Break Holiday Homework Academic Year 2025-26 Grade 6

Dear Parents,

To cater to holistic learning and development of children, the school has planned certain activities under the Art Integrated Learning. It is a teaching-learning model which is based on learning 'through the arts' and 'with the arts'.

1. English:

- Choose a part of speech (noun, pronoun, verb, adjectives, adverb, preposition, conjunction) and design a chart by explaining the selected part of speech.

2. Hindi:

- "पर्यावरण बचाओ" विषय पर सुन्दर चार्ट निर्माण करते हुए उस पर नारा लेखन कीजिए।

3. Sanskrit:

निम्न कार्य A4-size पेज पर कीजिए।

- किन्ही 5 पशुओ और 5 पक्षियों के चित्र चिपकाकर, उनके संस्कृत में नाम लिखिए।
- अपने परिवार के सदस्यों के नाम लिखकर, उनका वर्ण विन्यास कीजिए।

4. Science:

- Explore the properties and uses of different materials focusing on sorting them into groups based on properties like hardness, transparency, solubility etc. Present them in a tabular form on A4-size chart.
- Make an animal face on A4-size colour sheet using different parts of plant.

5. Mathematics:

- Create a mini poster on A4-sheet titled "Angles in Real Life"- Paste pictures or draw objects that show different types of angles (eg. clock hands, scissors, open book).

6. Social Studies:

- Make "My Travel Journal" – Imaginary World Tour
 - Imagine you are travelling around the world.
 - Choose 1(one) country from each continent.
 - Write 2–3 lines about what you would see there (famous places, food, clothing etc.)
 - Paste pictures or draw flags and places.

- Write area, number of countries, one famous place, animal and one fun fact about each.

7. ICT:

- **Theme:** Create Infographics on ICT Topics
- Use **pictures, diagrams, symbols, and short texts** to present information in a clear and attractive way.
- You can create your infographic chart either **by hand** (using colours, charts, drawings) or **digitally** using free online tools like **Canva** or **MS-PowerPoint**.

Topics to choose from:

a. Evolution of Computers Timeline

- Show the journey from early computers to modern devices.

b. Types of Software Chart

- Differentiate between system software and application software with examples.

c. Internet Safety Rules Chart

- Create a poster showing top 5 safety rules for using the internet wisely.

d. Cloud Computing Basics

- Explain cloud computing with examples like Google drive, dropbox, etc.

8. Art and Craft:

Topic: Wall hanging

- Make a wall hanging using ice-cream sticks/ old CD/DVD/ coloured papers or any decorative items etc.

9. Follow your regular bedtime schedule. Observe silence time and do simple yoga exercises to keep yourself fit.
10. Cherish and celebrate happy moments with your family by eating together and playing indoor games.
11. Try and speak in English all the time you can.
12. Read books, comics and magazines that you like.
13. Make up a dance routine to your favourite song.
14. You feel happy when you spread love and warmth everywhere.

Do something kind to someone.

Regards,
The Study
