THE STUDY

Dear Parents,

We are hosting a **Book Fair in our school campus** to encourage a joyful and enriching reading experience for our students. The fair will be conducted during school hours and will follow the schedule as given below:

- **Thursday, October1**: Students will preview the book stalls, noting down titles and prices.
- **Saturday, October3**: Students can purchase their selected books.

Students who wish to buy books must bring the **exact amount required for their selected books on Saturday, October3**, based on the price list they note down during Thursday's preview.

We look forward to fostering a lifelong love for reading in our students.

Regards,

Avishek Majumdar
