

Summer Break Holiday Homework

Academic Year 2025-26

Grade 2

Dear Parents,

To cater to holistic learning and development of children, the school has planned certain activities under the Art Integrated Learning. It is a teaching-learning model which is based on learning 'through the arts' and 'with the arts'.

Theme: Nature

1. English:

- Make a scrap book with a cover page. The title of the scrap book should be 'Nature Walk'. Visit a garden/park and describe it in 100 words. Collect 5 different types of leaves. Paste them in the scrap book, label them and write 2 to 3 lines about them. All the activities are to be done in a single scrap book.

2. Hindi:

- प्रकृति की सुरक्षा से सम्बन्धित एक पोस्टर बनाए।
 - रंगीन पेपर, मोमबत्ती कलर, स्केच कलर या सजाने की सामग्री का प्रयोग कर सकते हो।
- उदाहरण— नदी, झरने, तालाब, पेड़-पौधे आदि।

3. EVS:

- Make a colourful poster with a message about it on 'Save Trees' or 'Keep Earth Clean'. You can use crayons, sketches or craft material. Do this activity on an A3 size sheet.

4. Number Work:

- Collect 8 different leaves. On an A3 size sheet arrange them from smallest to biggest. Measure each with a ruler and write their length below its name.

5. Art and Craft:

- Make a wall hanging using things related to nature. You can use dried leaves, bird's feathers etc.

6. Embrace The Speaking Etiquettes

Encourage your child to practice these sentences in everyday situations such as when waking up in the morning, during meal times, before going to bed or when interacting with family members and friends. Remind them to speak clearly and politely and to use these phrases to communicate their needs, ask for permission, apologize when necessary, say thank you and greet others.

Are we going to visit someone today?

Can I please call my friend?

I'm sorry for making a mess.

Thank you for helping me.

Excuse me, may I speak?

Can you help me tie my shoes?

Thank you for sharing with me.

Goodbye, see you later!

May I help you with that?

Please wait for me, I'm coming!

Can you please read me a story?

7. Follow your regular bedtime schedule. Observe silence time and do simple yoga exercises to keep yourself fit.
8. Cherish and celebrate happy moments with your family by eating together and playing indoor games.
9. Try and speak in English all the time you can.
10. Read books, comics and magazines that you like.
11. Make up a dance routine to your favourite song.
12. You feel happy when you spread love and warmth everywhere.

Do something kind to someone.

Regards,
The Study
